PREAMBLE

This AGREEMENT, hereinafter referred to as the Agreement, entered into by the STATE OF CALIFORNIA, hereinafter referred to as the State or employer, pursuant to Government Code Sections 19815.4 and 3517, and the CALIFORNIA ASSOCIATION OF HIGHWAY PATROLMEN, hereinafter referred to as CAHP, has as its purpose the promotion of harmonious labor relations between the State and CAHP; establishment of an equitable and peaceful procedure for the resolution of differences; and the establishment of rates of pay, hours of work, and other conditions of employment including health and safety.

The term "Agreement" as used herein means the written agreement provided under Government Code Section 3517.5.

ARTICLE I - RECOGNITION

1. Recognition

- a. Pursuant to Public Employment Relations Board (PERB) decision S-SR-5, the State recognizes CAHP as the exclusive negotiating agent for all employees in the Law Enforcement Unit 5.
- b. Pursuant to Government Code Sections 19815.5 and 3517, CAHP recognizes the Director of the Department of Personnel Administration (DPA) or his/her designee as the negotiating representative for the State and shall negotiate exclusively with the Director or his/her designee, except as otherwise specifically spelled out in the Agreement.

ARTICLE II - ORGANIZATIONAL SECURITY

2. Dues Deduction

- a. It is the intent of this section to provide for payroll deductions of CAHP members to be deducted from their warrants insofar as permitted by law. The State agrees to deduct and transmit to CAHP all authorized deductions from all CAHP members who have signed an approved authorization card for such deductions on a form provided by CAHP, less necessary administrative costs incurred by the State Controller.
 - (1) The written authorization for CAHP dues deductions shall remain in full force and effect during the life of this Agreement; provided, however, that any employee may withdraw from CAHP by sending a signed withdrawal letter to CAHP within thirty calendar days prior to the expiration of this Agreement.
 - (2) The amount of dues deducted from CAHP members' pay warrants shall be set by CAHP and changed by the State upon written request of CAHP.
 - (3) CAHP agrees to indemnify, defend and hold the State harmless against any claims made of any nature and against any suit instituted against the State arising from its checkoff for CAHP dues.

- b. The dues deduction provisions of this article shall continue to pertain and be complied with by the State with regard to those employees who are promoted into excluded classes or positions unless the employee elects to withdraw, or when any employee is transferred, promoted, or demoted from one bargaining unit to another where CAHP is the exclusive bargaining agent.
- c. Upon request by CAHP, the State shall provide the names, addresses, and identification numbers of all employees covered by this Agreement where permitted by law. It is agreed that the State shall provide each such employee the opportunity to request that his/her home address not be divulged to CAHP. CAHP agrees to pay any necessary administrative cost incurred by the State Controller.

3. CAHP Rights

- a. It is understood by the parties that CAHP has the following rights:
 - (1) To represent its members before the State regarding wages, hours, and other terms and conditions of employment.
 - (2) To receive timely written notice of changes to, or adoption of, any rule or regulation directly relating to wages, hours, and other terms and conditions of employment.
- b. Area/Section Commanders shall maintain their current practice of scheduling shifts and days off. Area/Section Commanders may, at the request of the CAHP Area Representative, or as a result of operational needs, provide for changes in the methods of scheduling shifts and days off, providing the policy in HPM 9.1, Employee Relations Manual, Chapter 11, is followed. If a request is made by the CAHP Area Representative to make changes in the current practice of scheduling shifts and days off, the Commander shall meet and confer to discuss the requested changes.
- c. CAHP Representative Designation:
 - (1) The State agrees to recognize CAHP Representatives for the purpose of representing employees on all matters relating to the administration of this Agreement, and upon request of an employee on Adverse Actions and other matters which may be, or are, on appeal to the State Personnel Board.
 - (2) An authorized CAHP Representative refers to a California Highway Patrol (CHP) Officer designated as a CAHP Director, Defense Representative, Area Representative, Alternate Area Representative, or a paid staff member.
 - (3) The CAHP shall provide to the Department a written list of CAHP Representatives, broken down by work location and designated area of primary responsibility, within thirty days of the effective date of this Agreement. This list shall be promptly updated by the CAHP as changes of CAHP Representatives occur. The Department shall recognize changes in Representative designations upon notification by the CAHP. A CAHP Representative's "area of primary responsibility" shall be the Division, Area, Section or Bureau which is the employee's assigned work location. Directors, paid staff, and defense representatives may be called upon to represent members statewide. However, if this representation is outside of the CAHP Representative's area of primary responsibility, it shall not be on state release time except as otherwise provided in this Agreement.

There shall be no more than one Area Representative and one Alternate Area Representative per work location.

- d. CAHP Representatives shall have access to employees to represent them pursuant to c.(1) above. The following limitations to access will apply:
 - (1) A CAHP Representative desiring access to a work location must state the purpose and request approval from the Area Commander or his/her representative within a reasonable amount of time prior to an intended visit.
 - (2) The Area Commander or his/her representative may restrict access for reasons of safety, security or operational needs.
 - (3) The CAHP agrees that its Representative will not interfere with Department operations.
 - (4) If a requested visit is denied, or access is restricted, other reasonable accommodations shall be made.
 - (5) An employee designated as an authorized CAHP Representative must obtain permission from his/her immediate supervisor or designee to engage, during duty hours, in business relating to this Agreement. In no instance shall the designee be a CAHP Representative. Permission to engage in such activity shall be granted promptly unless such absence would interfere with efficient operations. If permission is denied, an alternate time will be designated.
- e. Representative Time Off
 - (1) Upon request of an employee, a CAHP Representative shall be allowed up to four hours of release time to assist the employee on a grievance or complaint at each level of the grievance/complaint procedure, provided it is in the CAHP Representative's designated area of primary responsibility. This time may be extended with approval of the commander of the Office of Employee Relations.
 - (2) Upon request of the CAHP, the grievant or a CAHP Representative shall be allowed up to eight hours of release time to assist the CAHP in preparing for arbitration. In no event will more than one individual be provided release time per arbitration. This time may be extended with approval of the commander of the Office of Employee Relations.
 - (3) Upon request of an employee, a CAHP Representative shall be allowed up to four hours of release time to review an Adverse Action file and to assist the employee in preparation and presentation of the "Skelly" response, provided it is in the CAHP Representative's designated area of primary responsibility. This time may be extended with the approval of the commander of the Office of Employee Relations.
 - (4) Upon request of an employee, a CAHP Representative shall be allowed release time to assist the employee during an Adverse Action interrogation. If representation is provided as a result of an internal investigation at a time other than the CAHP Representative's regularly scheduled shift, the regularly scheduled shift for the CAHP Representative shall be adjusted for the time actually spent in representation.

- (5) If the representation is provided as a result of an internal investigation and is outside of the CAHP Representative's area of primary responsibility, the only release time allowed will be the actual time spent in the interview. Exceptions to this provision will require approval from the commander of the Office of Employee Relations.
- (6) The CAHP may request a reimbursable paid leave of absence for a CAHP Representative which may be granted at the discretion of the affected Department head or his/her designee in accordance with the following:
- (a) A reimbursable paid leave shall assure an employee the right to his/her former position upon termination of the leave. The term "former position" is defined in Government Code Section 18522.
 - (b) CAHP agrees to reimburse the Department for the full amount of the affected employee's salary, plus an additional amount up to 31 percent of the affected employee's salary, for all the time the employee is off on a reimbursable paid leave.
 - (c) The affected employee shall have no right to return from a reimbursable paid leave earlier than the agreed upon date without the approval of the employee's appointing power.
 - (d) Except in emergencies or layoff situations, a reimbursable paid leave shall not be terminated by the Department head or his/her designee prior to the expiration date.
 - (e) Employees on a reimbursable paid leave shall suffer no loss of compensation or benefits.
 - (f) Whether or not time for a reimbursable paid leave is counted for merit purposes shall be determined by the State Personnel Board (SPB) and such determination shall not be grievable or arbitrable.
 - (g) Employees on reimbursable paid leave under this provision and CAHP shall waive any and all claims against the State for Workers' Compensation and Industrial Disability Leave.
 - (h) In the event an employee on a reimbursable paid leave, as discussed above, files a Workers' Compensation claim against the State of California or any agency thereof, for an injury or injuries sustained while on a reimbursable paid leave, CAHP agrees to indemnify and hold harmless the State of California or agencies thereof, from both Workers' Compensation liability and any costs of legal defense incurred as a result of the filing of the claim.
- (7) CAHP shall be granted the following:
- (a) The State shall contribute 4,000 hours per year to the CAHP Release Time Bank.
 - (b) Reasonable release time for meet and confer sessions between the CAHP and CHP management for the purposes related to the administration of this Agreement.
 - (c) Reasonable release time to attend meetings of established committees including, but not limited to, Department Occupational Safety Board, Motor Vehicle Advisory Board, and Department Uniform Committee.

(d) Continuation of the existing practice for the use of informal leave (dock time) for CAHP business.

(e) An employee using release time as specified in this Section, shall report such time by use of the CHP 610, Representation Reporting.

(8) Employee Time Off

Employees shall be entitled to reasonable time off without loss of compensation to confer with a representative of the CAHP on representational matters at the work site in accordance with e.(1), (2), (3), and (5) above during working hours, subject to approval of the employee's supervisor.

f. Personnel Files

With an employee's written consent, an authorized CAHP Representative shall be permitted, upon request, to inspect the employee's official Department personnel file during normal business hours. Such review shall not interfere with the normal business of the Department. Other existing rules relating to personnel folders shall remain in effect.

g. Distribution of Literature

(1) The CAHP may use existing employee organization bulletin boards to post information or materials concerning the following subjects:

(a) Notices and results of any official Association Committee or Board of Director's Meeting.

(b) Notices of Association elections and their results.

(c) Notices of Association recreational and social events.

(d) Notices of other official Association business.

(2) Upon mutual agreement between an authorized CAHP Representative and the Department, CAHP bulletin boards may be installed at reasonable locations. When required, CAHP shall reimburse the State for additional costs incurred.

(3) Any materials posted shall be dated and initialed by the CAHP Representative, and a copy of all materials posted provided to the Area Commander or his/her representative at the time of posting. The CAHP agrees that any materials posted or distributed at the work location will not be obscene, libelous, defamatory, or of a partisan political nature.

(4) The CAHP may distribute CAHP literature before or after work hours or during meal periods in areas in which work is not being conducted.

h. Use of State Facilities

The Department will permit CAHP to use State facilities for membership meetings and conferences, upon reasonable advance notice to the appropriate Department representative, and subject to operating needs of the Department. CAHP shall reimburse the Department for additional expenses incurred as a result of CAHP use of such State facilities.

i. Use of State Telephones

Upon request, CAHP Representatives shall have access without cost to state telephones to conduct employee relations business provided, however, the use of state telephones shall not result in toll charges or interfere with the operation of the facility or office.

ARTICLE III - STATE'S RIGHTS

4. Management Rights

- a. Except for those rights which are expressly abridged or limited by this Agreement, all rights are reserved to the State.
- b. Consistent with this Agreement, the rights of the State shall include, but not be limited to, the right to determine the mission of its constituent departments, commissions and boards; to maintain efficiency of state operation; to set standards of service; to determine, consistent with Article VII of the Constitution, the Civil Service Act and rules pertaining thereto, the procedures and standards of selection for employment and promotion; to layoff, assign, schedule, and train employees; to determine the methods, means and personnel by which State operations are to be conducted; to take all necessary action to carry out its mission in emergencies; to exercise control and discretion over the merits, necessity, or organization of any service or activity provided by law or executive order. ARTICLE IV - GENERAL PROVISIONS

5. No-Strike

CAHP agrees to notify all of its officers, stewards, and staff of their obligation and responsibility for maintaining compliance with this section, including the responsibility to remain at work during any activity which may be caused or initiated by others, and to encourage employees violating this section to return to work.
- c. The State may discharge, suspend, demote, or otherwise discipline any employee who violates this section. Nothing contained herein shall preclude the State from obtaining judicial restraint and damages in the event of a violation of this section.

- k. Miscellaneous Provisions
 - (1) The parties, upon mutual agreement, may consolidate complaints at any level which address similar issues.
 - (2) Complaint records shall be filed separately from an employee's personnel file and shall be considered confidential.
 - (3) A complainant may withdraw a complaint at any time. The complainant shall not file any subsequent complaint on the same alleged incident.

12. Minor Discipline

- a. The appeal procedure as defined in this Section shall be the exclusive procedure for resolving disputes regarding minor discipline as defined in b. below and shall supersede all other pre-existing procedures.
- b. Where an appointing authority or designee takes a disciplinary action of a suspension without pay for five days or less (excluding formal reprimands) or up to a five percent reduction in pay for five months or less (excluding formal reprimands), the appointing authority or designee shall give the employee written notice of the proposed action. This notice shall be served personally or by regular first class US mail to the employee at least five working days prior to the effective date of the proposed discipline. The notice shall include:
 - (1) A statement of the nature of the discipline.
 - (2) The effective dates of the action.

- (3) The reasons for the action in ordinary language.
 - (4) A statement advising the employee that he/she may answer orally or in writing.
 - (5) A statement advising the employee of the time within which an appeal must be filed, and the name of the person specified by the State to whom the appeal must be filed.
 - (6) A copy of all materials upon which the action is based.
 - (7) A statement of the employee's right to respond to a representative of the appointing authority who has the authority to make or recommend a final disciplinary action.
- c. The failure of the appointing authority to comply with the notification requirements in b.(1), (2), (3), (4), (5), (6), and (7) above, will not affect the validity of the action and will refile the charges. At anytime before an employee's appeal is submitted to the adjudication process, the appointing authority may amend the action.
 - d. The appellant's representative shall have the right to interview others having knowledge of the acts or omissions upon which the Adverse Action is based.
 - e. Any appeal of minor discipline must be filed in writing and received by the person specified by the State in b.(5) above within ten calendar days of the service of the discipline notice. The remedy requested shall be limited to the rescission or modification of the discipline imposed.
 - f. An appeal meeting with the appellant and the person specified in b. (7) above shall occur within ten calendar days of the service of discipline notice if requested in the appeal. The purpose of this meeting is to provide the appellant or his/her representative the opportunity to respond to the charges and to present all documents that will be submitted if appealed through this adjudication process.
 - (1) If an appeal meeting occurs, the person specified in b.(7) above shall give the appellant a decision within seven calendar days of the appeal meeting. If no appeal meeting occurs, the person designated by the Department shall respond in writing to the appeal no later than 14 calendar days after receipt of the appeal.
 - g. If the appeal is not resolved within 14 calendar days after receipt of the Department response, CAHP may appeal the decision by submitting a written request to DPA. If the CAHP elects not to appeal on behalf of an employee, an employee shall have the right to appeal a minor discipline on his/her own behalf utilizing the procedure described herein without the involvement of the CAHP. In such a case, the employee shall bear half the cost of the adjudicator.
 - h. Failure to appeal the discipline within the deadlines specified above renders the grievance void and it shall be dismissed with prejudice.
 - i. Selection of Adjudicator:
 - (1) An impartial adjudicator shall be selected from a mutually agreed upon standing panel of three adjudicators preselected by DPA and CAHP. This adjudicator shall serve for at least 12 months.

- j. The adjudicator shall review cases one day each month (or more or less if necessary). The intent of this provision is for the adjudicator to decide multiple cases per day. The State shall send a list of appeals and all case materials to the adjudicator for decision.
- k. The adjudicator's considerations shall solely be based upon the oral presentations and the written documents and materials provided by the State employer and CAHP or the appealing party at the appeal meeting or in the written appeal on notice [b.(6)], or any rebuttal documents submitted no less than thirty calendar days prior to the hearing. Each party may have a reasonable but limited amount of time to present his/her case to the adjudicator and to respond to questions from the adjudicator. Failure of the appellant, appellant's representative, or representative of the appointing authority to attend the session renders the appeal void and withdrawn and may not be refiled unless the appellant, appellant's representative or representative of the appointing authority waives appearance prior to the hearing. If the appellant or the appointing authority waives appearance, the adjudicator shall decide only on the written record.
- l. Neither party has the right to inspect documents, meet or discuss the case with the adjudicator, participate in discovery proceedings, subpoena witnesses or documents, have witnesses testify at or meet with the adjudicator, ask the other party questions at the session, or request a rehearing or reconsideration of the adjudicator's decision. Exceptions to this Section may only be made by mutual agreement by DPA and CAHP in complicated cases in advance of the adjudicator's review.
- m. The adjudicator has the authority to grant or deny the appeal, or reduce the discipline to a lesser action. The decision of the adjudicator is final and binding on all parties and may not be appealed to State Personnel Board. The adjudicator shall not have the power to add to, subtract from, or modify the collective bargaining agreement.
- n. Within two calendar days of the adjudicator's review, the adjudicator shall prepare in writing the disposition of each appeal on a form provided by the State, and a copy shall be provided to CAHP, or the employee appealing on his/her own behalf, and DPA. The State shall submit this decision to SPB for review. The cost of adjudication shall be borne equally between the parties of the case.
- o. Any dispute regarding this section shall be addressed by the adjudicator at the same time the merits of the appeal are considered, and may not be a matter subject to appeal and arbitration, Sections 9 and 10 of this Agreement.

13. Public Safety Officer Bill of Rights (POBR)

In no event will an employee receive the benefit of this provision more than once in his/her workday. Any employee who performs telephone work for 30 minutes or more will be compensated in accordance with the overtime provisions contained in the employee's work week group. This section does not apply when the business call results in call back, short notice cancellation or offers of overtime. Pay for business calls will not be considered compensation for use in computing retirement allowance.

29. Hours of Work and Overtime

- a. Workday. The workday for employees shall commence at the start of the employees' shift and end 24 hours later. When an employee's shift assignment is changed, the employee's new workday will be established on the day commencing with the new shift, and shall run for a period of 24 hours.
- b. Work Period.
 - (1) Pursuant to the Fair Labor Standards Act (FLSA), a work period is a regular and recurring 28 consecutive-day period for CHP Officers used for scheduling and the computation of overtime. It begins at each employee's shift start time and ends 28 consecutive 24-hour periods later.
- c. Authorized Overtime. Overtime is authorized time worked in excess of eight and one-half hours per workday or ordered work on scheduled days off except as noted below. All employees are assigned to Work Week Group (WWG) 2 and are eligible for overtime compensation as follows:
 - (1) WWG 2: CHP Officers whose total work hours exceed 171 hours in a 28-day work period.
 - (2) For the purpose of computing the number of hours worked, time when an employee is excused from work because of holidays, sick leave, vacation, annual leave, personal leave, or compensating time off (CTO), shall be considered as time worked by the employee.
- d. Method of Compensation. Pursuant to the FLSA, employees have the right to receive cash compensation for overtime. However, an employee may request CTO in lieu of paid overtime. The employee's commander shall have discretion over whether CTO will be earned in lieu of paid overtime. In the event an employee is denied CTO by the commander, the employee will receive cash compensation for the overtime. Employees who request and are granted CTO may not elect to be paid at a later date. For the purposes of this section, the overtime period will be the same as the FLSA work period. It shall be the intent of this provision that overtime compensation shall be made within fourteen (14) calendar days of the close of the FLSA work period in which it was earned.

- e. Overtime Rate. The paid overtime rate is one and one-half times the hourly equivalent of the employee's total monthly compensation, including specialty pay. The CTO rate is earned at one and one-half hours for every hour worked. Overtime is credited in quarter-hour increments with a full quarter hour credited if half or more of the period is worked.
- f. Compensating Time Off.
 - (1) The only instances in which CTO is required for employees are under the following circumstances:
 - (a) When in travel status not connected with enforcement duties, such as travel to or from the Academy or other school for the purpose of training.

 - (3) CTO may be used only in units of 1/4 hour or multiples thereof.
 - (4) The time when CTO may be taken shall be at the discretion of the employee's commander.
 - (5) There is no time limit within which CTO earned must be used.
- g. Daylight-Saving/Standard Time Change. No charge for time off is made for the one hour not worked by employees when Standard Time changes to Daylight-Saving Time. Overtime is credited for the additional hour worked by employees when Daylight-Saving Time reverts to Standard Time.
- h. Call-Back Time. An employee who has completed a normal work shift or is on an authorized day off, when ordered back to work, shall be credited with a minimum of four hours work time, provided the call back to work is without having been notified prior to completion of the work shift, or the notification is prior to completion of the work shift and the work begins more than three hours after the completion of the work shift. When an additional trip to the work location is required, the employee will be compensated, up to a maximum of one and one-half hours each way, for travel time. An employee shall not be subject to this limit when he/she is required to attend court in an Area other than where he/she is currently assigned. Prescheduled voluntary overtime is not considered call back and, therefore, is not subject to travel time compensation.
 - (1) If an employee works without interruption beyond his/her normal shift, he/she does not gain four hours call-back time; regular overtime provisions apply.
 - (2) If overtime continues beyond the four hour call-back time the additional time shall be credited in units of one-quarter hour.
 - (3) If a second call back extends beyond four hours from the beginning of the first call back, regular overtime is credited in one-quarter hour increments until completion of the second call back.
 - (4) When an employee is called back within four hours of the beginning of a previous call or an additional call is received while still working on an earlier call back, the employee shall not receive an additional four hours credit.

- (5) If an employee is called back to work, completes the call-back situation, and returns to his/her home only to be called out again more than four hours after receiving the first call, he/she is entitled to an additional four hours of call-back time.
- (6) When an employee is called back within four hours of the beginning of the employee's next shift, call-back credit shall be received only for the hours remaining before the beginning of the employee's next shift.
- (7) Call back due to court appearances shall be limited to one four hour call-back period. If an employee is scheduled for two court appearances in one day, call-back time shall be credited from the beginning of the first appearance through the completion of the second; except that when the second appearance is more than six hours from the end of the first appearance, a minimum of four hours credit for each appearance shall be given. A lunch period of one-half hour shall be charged when a court appearance extends beyond the noon recess.
- (8) When there are three hours or less between the end of the shift and the time an employee must leave from the office for a court appearance, an employee shall receive overtime for the intervening period. The employee is entitled to and shall receive the overtime whether or not he/she works during the interval. Department policy provides that the employee may be scheduled to work during this period. If the employee is not scheduled to work and he/she chooses to leave the work site, time for travel and appearance will still be computed based upon departure from the office. One-half hour for breakfast will be allowed without being charged.
- (9) When the location of a specific Area or Division office is changed, the Department head or his/her designee will meet with CAHP upon request to confer over the impact of the move on travel time limitations of this provision.
- i. Call Back from Leave of Absence for Court Appearance. An employee who is required to appear in court while on leave of absence without pay or suspension does not receive salary payment for the court appearance and does not accumulate call-back time or overtime for such appearance.
- j. Call Back from Vacation
 - (1) Employees shall not normally be called back to work from a scheduled vacation. In the event an employee is required to appear in court during a scheduled vacation and the court appearance is outside the employee's normally scheduled shift, the employee shall be compensated in accordance with the call back provisions of this section.
 - (2) The Department and the CAHP are mutually concerned about the possible inconvenience to an employee who is required to appear in court during a scheduled paid vacation. The Department will work with commanders to ensure reasonable efforts are made to minimize those instances wherein an employee is required to appear in court while on a scheduled vacation.
- k. Call Back from Injury Status. An employee should not normally be called back to duty while on injury status. If circumstances require his/her return to duty, regular time will be credited.

- l. Court Appearance. Work schedules shall not be adjusted to accommodate an employee's court appearance on either a criminal or a civil matter simply to minimize overtime earnings. However, in a situation where an employee will be too fatigued following a court appearance to work his/her scheduled shift, a supervisor may determine a change of schedule is appropriate in this type of situation to protect the employee from the possible consequences of being overly fatigued and to protect the Department from suit or criticism for violating "on duty" hours standards applied to others.
- m. Court Appearance While on Active Military Duty. An employee who appears in court while on military leave, including routine annual leave of 30 calendar days or less, is not entitled to call back time or overtime for such appearance. Regular salary payment is made only to the extent that the employee is eligible for payment for the first thirty calendar days of active duty.
- n. Telephonic Subpoenas. When an employee has completed a normal shift, or is on an authorized day off and is required to testify telephonically in response to a subpoena issued by the Department of Motor Vehicles, he/she shall be credited with two hours of overtime unless the employee elects to respond in person to the assigned work location, in which case the employee shall be compensated in accordance with the call-back provisions of this Agreement. If an employee expends more than two hours in preparation and telephonic testimony, the employee shall receive overtime for the actual time worked.
- o. Alternate Work Week Program. Area commanders shall have the discretion to initiate a 9/80 alternate workweek program for Unit 5 employees with concurrence of the Division Commander. Requests to participate in the alternate workweek program shall reflect the majority of affected employees. If the commander approves the alternate workweek program for road officers in the Area, all road patrol officers shall participate in the alternate workweek program. Division/Area commanders may terminate the 9/80 alternate workweek program upon 30 days notification to affected employees.

30. Voluntary Overtime

The employer shall make reasonable efforts to offer special program overtime on an equitable basis taking into consideration employee skills, abilities and past performance for the given assignment. Voluntary overtime shall be offered on a continual rotational basis utilizing the most senior available employee. The employee who is available and refuses the assignment, once offered the overtime, shall not be considered until his/her position arises again on the availability list. Employees with a documented pattern of poor performance in programs with the same enforcement emphasis within 12 months of the overtime program shall not be considered for these voluntary assignments. Notwithstanding the above, this provision will not prohibit the Commander or his/her designee from requiring an employee to work these assignments. The Area Commander and the Area Representative may establish any overtime assignment system that meets the intent of this provision provided it is equitable.

31. Reimbursable Services Contract Overtime Short Notice Cancellation

- a. The Department and the CAHP are mutually concerned about the possible inconvenience to employees when a reimbursable services contract is canceled on short notice.

- (1) An employee shall receive compensation for a minimum of four hours at a rate of one and one-half times of the employee's base monthly salary whenever a reimbursable services contract is entered into requiring the services of the employee and he/she responds to the office or the work location.

Absences from state service resulting from a temporary or permanent separation for more than 11 consecutive days which fall into two consecutive qualifying pay periods shall disqualify the second pay period.
- d. Employees who work in multiple positions may participate in annual leave, provided an election is made while employed in an eligible position subject to these provisions. Annual leave accrual for employees in multiple positions will be computed by combining all positions, as in vacation leave, provided the result does not exceed the amount earnable in full-time employment, and the rate of accrual shall be determined by the schedule which applies to the position or collective bargaining status under which the election was made.

An intervening period of absence for medical reasons shall not be disqualifying when, immediately prior to the absence, the person resided in the household of the employee. Such bereavement leave shall be authorized for up to three eight-hour days per occurrence. The employee shall give notice to his/her immediate supervisor as soon as possible and shall, if requested by the employee's supervisor, provide substantiation to support the request upon the employee's return to work.

Such bereavement leave shall be authorized for up to three (3) eight-hour days in a fiscal year. The employee shall give notice to his/her immediate supervisor as soon as possible and shall, if requested by the employee's supervisor, provide substantiation to support the request.
- c. If the death of a person as described above requires the employee to travel over 400 miles one way from his/her home, additional time off with pay shall be granted for two additional days which shall be deducted from accrued leave. Should additional leave be necessary, the Department head or designee may authorize the use of existing leave credits or authorized leave without pay.

- c. A Department head or his/her designee may grant a permanent employee's request for an unpaid leave of absence for the adoption of a child for a period not to exceed one year, except the Department shall grant said one year unpaid leave of absence when the adoption agency requires an adoptive parent not to work outside the home during the first year of adoption as a condition of adoption.

- a. Upon request of an employee and upon approval of a Department head or his/her designee, leave credits (CTO, annual leave, vacation, personal leave, and/or holiday) may be transferred from one or more employees to another employee, in accordance with Department policies, under the following conditions:

 - (9) This section is not subject to the grievance and arbitration sections of this Agreement.

43. Mentoring Leave

- a. Eligible employees may receive up to forty (40) hours of mentoring leave per calendar year to participate in mentoring activities once they have used an equal amount of their personal time for these activities. Mentoring leave is paid leave time, which may only be used by an employee to mentor. This leave does not count as time worked for purposes of overtime. Mentoring leave may not be used for travel to and from the mentoring location.
- b. An employee must use an equal number of hours of his/her personal time (approved annual leave, vacation, personal leave, personal holiday, or CTO during the workday and/or personal time during non-working hours) prior to requesting mentoring leave. For example, if an employee requests two (2) hours of mentoring leave, he/she must have used two (2) verified hours of his/her personal time prior to receiving approval for the mentoring leave. Mentoring leave does not have to be requested in the same week or month as the personal time was used. It does, however, have to be requested and used before the end of the calendar year.
- c. Prior to requesting mentoring leave and in accordance with Department policy, an employee shall provide his/her supervisor with verification of personal time spent mentoring from the mentoring organization.
- d. Requests for approval of vacation, CTO, and/or annual leave for mentoring activities are subject to approval requirements in this contract and in existing Department policies. The State reserves the right to cash out Personal Leave credits at its option. Cash out shall be at the rate of pay in effect at the time cash out is made.
- (b) Effective July 1, 2003, the State shall implement a mandatory personal leave program for Unit 5 employees. This program shall remain in effect for 12 months from July 1, 2003 through June 30, 2004. Employees may voluntarily participate in the personal leave program on a continuing basis.

- (1) Each full-time employee subject to paragraph (b) shall be credited with eight (8) hours of Personal Leave on the first day of the following monthly pay period for each month in the Personal Leave program.
- (2) Salary ranges and rates shall be changed to reflect the July 1, 2003 general salary increase; however, each full-time employee shall continue to work his/her assigned work schedule and shall have a reduction in pay equal to 5%. In exchange 8 hours of leave will be credited to the employee's PLP monthly.
- (3) Personal leave shall be requested and used by the employee in the same manner as vacation or annual leave. Requests to use personal leave must be submitted in accordance with departmental policies on vacation and annual leave. Personal leave shall not be included in the calculation of vacation/annual leave balances pursuant to Article 9 (Leaves) Sections 37 (Vacation Leave) and 39 (Annual Leave).
- (4) At the discretion of the State, all or a portion of unused personal leave credits may be cashed out at the employee's salary rate at the time the personal leave payment is made. It is understood by both parties that the application of this cash out provision may differ from department to department and from employee to employee. Upon termination from State employment, the employee shall be paid for unused personal leave credits in the same manner as vacation or annual leave. Cash out or lump sum payment for any Personal Leave credits shall not be considered as "compensation" for purposes of retirement. If funds become available, as determined by the Department of Finance, for the Personal Leave program, departments will offer employees the opportunity to cash out accrued personal leave. Upon retirement/separation, the cash value of the employees personal leave balance may be transferred into a State of California, Department of Personnel Administration Deferred Compensation Program as permitted by federal and state law.
- (5) An employee may not use any kind of paid leave such as sick leave, vacation, or holiday time to avoid a reduction in pay resulting from the Personal Leave program.
- (6) A State employee in the Personal Leave program shall be entitled to the same level of State employer contributions for health, vision, dental, flex-elect cash option, and enhanced survivor's benefits he or she would have received had the Personal Leave program not occurred.
- (7) The Personal Leave program shall not cause a break in State service, a reduction in the employee's accumulation of service credit for the purposes of seniority and retirement, leave accumulation, or a merit salary adjustment.
- (8) The Personal Leave program shall neither affect the employee's final compensation used in calculating State retirement benefits nor reduce the level of State death or disability benefits the employee would otherwise receive or be entitled to receive nor shall it affect the employee's ability to supplement those benefits with paid leave.
- (9) Part-time employees shall be subject to the same conditions as stated above, on a prorated basis regardless of the number of hours in the pay period.
- (10) The Personal Leave program for intermittent employees shall be prorated based upon the number of hours worked in the monthly pay period.
- (11) The Personal Leave program shall be administered consistent with the existing payroll system and the policies and practices of the State Controller's Office.

- (12) Employees on EIDL, NDI, IDL, or Worker's Compensation for the entire monthly pay period shall be excluded from the Personal Leave program for that month.
- (c) Effective July 1, 2004, Unit 5 members will continue on a mandatory Personal Leave Program for a 6-month period. The mandatory Personal Leave Program shall end on December 31, 2004. Following the end of the mandatory Personal Leave Program, Unit 5 members may participate in the Personal Leave program on a voluntary basis.

45. Transfer of Leave Credits Between Family Members

Upon request of an employee and upon approval of a Department director or designee, leave credits (CTO, annual leave, personal leave, vacation, and/or holiday credit) may be transferred between family members (donations may be made by a child, parent, spouse, brother, sister or other person residing in the immediate household) in accordance with Department policies, under the following conditions:

- a. To care for the family member's child, parent, spouse, brother, sister, or other person residing in the immediate household, who has a serious health condition, or a medical leave for the employee's own serious health condition as defined by the Family Medical Leave Act (FMLA), or for a parental leave to care for a newborn or adopted child.
- b. The employee shall give notice to his/her immediate supervisor as soon as possible and shall, if requested by the supervisor, provide medical certification from a physician to support this request. The Department head or designee shall approve transfer of leave credits only after having ascertained that the leave is for an authorized reason. For family care leave for the employee's child, parent, spouse, brother, sister, or other person residing in the immediate household, who has a serious health condition, this certification need not identify the serious health condition involved, but shall contain all of the following:
 - (1) The date, if known, on which the serious health condition commenced;
 - (2) The probable duration of the condition;
 - (3) An estimate of the amount of time that the health provider believes the employee needs to care for the child, parent, spouse, brother, sister, or other person residing in the immediate household;
 - (4) A statement that the serious health condition warrants the participation of the employee to provide care during a period of treatment or supervision of the child, parent, spouse, brother, sister, or other person residing in the immediate household.
- c. Sick leave credits cannot be transferred.
- d. The receiving employee has exhausted all leave credits.

An employer may offer an employee a limited-duty assignment at a location other than the employee's headquarters, however, the employee is not compelled to accept the assignment. - (5) Out-of-state Travel: For short-term out-of-state travel, state employees will be reimbursed actual lodging, supported by a receipt, and will be reimbursed for actual meal and incidental expenses in accordance with above.  3. Travel to Headquarters: Mileage arising from travel between home or garage and headquarters is not normally allowed. - (d) Mileage to/from a common carrier – When the employee's use of a privately owned vehicle is authorized for travel to or from a common carrier terminal, and the employee's vehicle is not parked at the terminal during the period of absence, the employee may claim double the number of miles between the terminal and the employee's headquarters or residence, whichever is less, while the employee occupies the vehicle.
- Exception to "whichever is less": If the employee begins travel one hour or more before he normally leaves his home, or on a regularly scheduled day off, mileage may be computed from his/her residence.
- (8) Receipts. Receipts or vouchers shall be submitted for every item of expense of \$25 or more. In addition, receipts are required for every item of transportation and business expense incurred as a result of conducting state business except for actual expenses as follows:

In the absence of a satisfactory explanation, the expense shall not be allowed.
- (9) Moving and Relocation Expenses.

Whenever a Unit 5 employee is reasonably required by the State to change his or her place of residence, the State shall reimburse the employee for approved items in accordance with the lodging, meal and incidental rates established in a.(1) and a.(3) above, and in accordance with the existing requirements, time frames and administrative rules and regulations for reimbursement of relocation expenses that apply to excluded employees.

This shall not be considered compensation for purposes of retirement. If scheduled during other than an employee's regularly scheduled work hours, the employee will attend on a leave of absence with pay. In no event will an employee earn overtime compensation for this examination. The results of said examination shall be furnished to a physician designated by the employee upon his/her request.

ARTICLE XVI - SUBSTANCE ABUSE

67. Substance Abuse

a. Reasonable Suspicion

- (1) The State agrees that the odor of alcohol or marijuana on an employee's breath or clothing shall not be the sole basis for determining "reasonable suspicion" in ordering the complete drug test panel established pursuant to DPA Rules 599.960 through 599.966. The State may, however, require the employee to take a breath test, and take appropriate administrative action based on the results.
- (2) Information on an employee's medical condition (unrelated to illegal or unauthorized drug use) secured through a substance abuse test or conversations with the Medical Review Officer may be used to order a fitness-for-duty test, provided the "reasonable suspicion" which led to the drug test was based on objective symptoms.

70. Health Benefits Contributions and Co-Payment Cost Containment

The parties agree to work cooperatively with CalPERS and the health plans to control premium increases. One method to control premiums would be to incorporate higher co-payments into the health plans as soon as possible. Any premium savings that result from these co-payment changes will be used to offset employee out-of-pocket premium costs.

71. Work and Family Programs Committee

- a. The parties agree to establish one statewide permanent joint labor/management committee on work and family. The committee shall serve in an advisory capacity to DPA's Work and Family Program. Work and family related activities that the Committee will engage in include sponsoring research, reviewing existing programs and policies, recommending new programs and policies, initiating marketing efforts, and evaluating the effectiveness of initiatives implemented by the Work and Family Program. The Union recognizes that membership on the committee may also include any or all other unions representing state employees. The committee shall have co-chairpersons, one representing management and one representing labor. The union shall have one representative.
- c. The parties agree the union representatives shall attend committee meetings without loss of compensation. The co-chairpersons may determine that subcommittees are necessary or preparatory work other than at committee meetings is necessary. If this occurs, the management co-chairperson may request that additional release time be granted for this purpose. Approval of release time is subject to operational need.
- d. The committee shall meet regularly and shall begin after ratification of this contract.
- e. The \$5 million dollars established in the Work and Family Fund shall be administered by DPA. Amounts to be allocated and expended annually from the fund shall be determined by DPA and the committee.

ARTICLE XIX - ENTIRE AGREEMENT

75. Entire Agreement

The parties acknowledge that during the negotiations which resulted in this Agreement, each had unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understanding and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the State and CAHP, for the duration of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other should not be obligated, to bargain collectively with respect to any subject or matter whether or not referred to or covered in this Agreement, even though such subjects or matters may not have been within the knowledge or contemplation of either or both the parties at the time they negotiated or signed this Agreement. This Agreement may only be amended by mutual agreement of the parties.

- b. In the six-month period prior to the expiration date of the Agreement, the complete Agreement will be subject to renegotiation.

**JULY 2003 ADDENDUM
TO THE 2001-2006 CONTRACT**

Joint DPA/CAHP Committee to Review G.C. 19827 Effectiveness

The CAHP and DPA recognize that the intent of Government Code 19827 is to compensate CHP officers a competitive rate of pay with other large police agencies in California. The CAHP has reasonably demonstrated that the average compensation pursuant to G.C. 19827 falls short of the average salary of the largest 50 police departments in California.

The parties to this agreement will conduct a joint salary survey of the 50 largest police departments in California. The parties may employ a third party compensation/survey specialist to assist in this process. The selection of a third party specialist will be by mutual consent. All costs associated with a third party specialist will be divided equally between the parties. The third party specialist shall report their findings to the Joint DPA/CAHP Committee to Review G.C. 19827 Effectiveness. The parties to the joint committee shall review the findings and recommendations of the third party specialist in an effort to implement parity with the largest 50 police departments in California no later than July 15, 2006. In the event that G.C. 19827 exceeds the average of the 50 largest police departments, G.C. 19827 shall remain in effect.

Budget Savings to Mitigate Layoffs

Section 4.10 of the Budget Act recognizes that the Budget Bill approved by the Senate does not provide funds for employee compensation increases that may become effective during the 2003-04 fiscal year, and grants the Director of Finance authority to reduce and reallocate appropriations in the Budget Act in order to ensure the integrity of the 2003 Budget.

The savings achieved in employee compensation for fiscal year (FY) 03/04 that have been agreed to by the parties shall first be applied to mitigate layoffs during FY 03/04 for Bargaining Unit 5, consistent with the provisions of Section 4.10 of the Budget Act of 2003.

In applying these savings, the following principles will govern: (a) it is understood that these savings will not be applied to any program reductions beyond the requirements of Section 4.10, (b) the union understands that this provision does not obligate the employer to retain any position that is not supported by the work to be done or the organizational structure of the affected State agency.

The State will consider unplanned timely attrition to replace layoff.

If agreed to, this proposal would take effect at the beginning of the pay period following ratification by the Legislature and the union's membership, unless otherwise indicated by the terms of the proposal.

Most Favored Nations

- A. If any bargaining unit receives an increase in the State's contribution for medical benefits beyond that contributed as of July 2003, and that bargaining unit receives such an increase without agreeing to a Personal Leave Program or similar plan, then the following shall occur:
 - 1. The State shall improve the salary and benefits or other forms of compensation for CAHP members by an amount equal to the increased contribution for medical benefits in the other bargaining unit.
 - 2. The State and CAHP shall meet and confer over the method of improving the salary, benefits or other forms of compensation, but to the extent no agreement is reached, the improved compensation shall be provided by increasing the employer contribution for CAHP members' medical benefits.
- B. If any bargaining unit receives an economic package beyond that provided to the CAHP by virtue of the 2003 amendments to the Unit 5 memorandum of understanding (MOU), then CAHP may reopen related economic provisions of its MOU and meet and confer in good faith with the State over the issue of providing similar or equivalent increases to CAHP members.
- C. The terms of this article shall become effective upon the final approval of amendments to the 2001-2006 State/CAHP Memorandum of Understanding, and shall expire July 2, 2006 and have no further force or effect.

90 Percent Cap and Deferred Retirement Option Plan (DROP)

Commencing January 1, 2004 the CAHP and DPA agree to work cooperatively to develop two proposals, one addressing the current 90 percent cap and one addressing a Deferred Retirement Option Plan (DROP). The parties will attempt to develop proposals that accomplish, on an ongoing basis, a cost savings or cost neutrality to the State.

To ensure the above proposals accomplish a cost savings or cost neutrality the parties will submit a draft of their legislative language to CalPERS for evaluation no later than April 1, 2004. If CalPERS determines that a cost savings or cost neutrality can be accomplished by one or both of the proposals, the parties agree to pursue legislation implementing the proposals that meet the cost criteria. The effective date of the sponsored legislation shall be January 1, 2005.

Side Letter: Govt. Code Section 19827 Requirements

The parties to this agreement acknowledge that the state budget and the state economic conditions have created a unique and challenging environment for conducting surveys and other requirements of Government Code Section 19827. The parties further agree that nothing from this year's challenges will have an impact, or set precedence, for how Government Code Section 19827 shall be implemented in the future.

The parties agree that Government Code Section 19827 requires the following:

- The parties shall have the data and information for their respective surveys completed in such a time frame as to allow the joint survey between CAHP and DPA pursuant to Government Code Section 19827 to be completed no later than March 31st of each year.
- The parties are required to project compensation for comparable agencies that do not have a contract and/or who are in the midst of negotiations. These projections shall be completed prior to March 31st of each year. If an agency for which a projection has been made resolves its contract after March 31st but prior to the State Controller's payroll cut-off date for the July pay period, the joint survey shall be adjusted to reflect the actual figures of the new agreement. After the State Controller's cut off date, the state agrees to implement necessary adjustments in accordance with the projected figures.
- Upon survey completion, the Department of Personnel Administration (DPA) is required to provide the actual parity discrepancy, as agreed to by the parties of this agreement, to the Department of Finance. DPA will inform Department of Finance of the amount needed for insertion into the state budget pursuant to Government Code section 19827.
- In the event that the state budget is delayed beyond July payroll cutoff for the State Controller, applicable pay raises shall be implemented retroactive to July 1.
- The state acknowledges that for the July 1, 2003 salary survey conducted pursuant to Government Code Section 19827, the CAHP recognized the extraordinary fiscal constraints within the state and local governments when projecting for agencies without contracts, causing the agreed upon projections to be lower than those reflected in the historical salary increases for those agencies. The state likewise acknowledges that future projections may be adversely impacted by current comparable agency's pay raises that have been lowered by current economic conditions. Therefore, the state will consider that future wages for comparable agencies will exceed the historical raises established by this current trend.

**AUGUST 2004 ADDENDUM
TO THE 2001-2006 CONTRACT**

Eight and One-Half Hour Work Day

The parties agree to continue the provisions of the October 5, 2003 Side Letter Agreement, which was reached pursuant to the Unit 5 Most Favored Nations Clause, through June 30, 2005. The State and the Union agree that in those areas/counties which CalPERS has defined as "rural" because no CalPERS HMO plan is available for enrollment in the area, Unit 5 members shall be eligible for the Rural Health Care Equity Program (RHCEP). Unit 5 members enrolled in a CalPERS-approved HMO plan will not be eligible for the RHCEP.

Effective January 1, 2005, the parties agree that in those areas/counties which CalPERS has defined as rural, Unit 5 members shall be eligible for the following Rural Subsidy Program, replacing the previous RHCEP.

The program shall operate as follows:

- A. The State shall pay \$100 per month to the CAHP Trust for each eligible Unit 5 member (employee) as a subsidy of the higher health care expenses of PPO plan members. The payment shall include the \$100 monthly subsidy amount for those employees enrolled in the CAHP Health Benefits Trust Plan designated as R05, S05, and M05. For those Unit 5 employees who are enrolled in a CalPERS-approved PPO plan other than the CAHP Health Benefit Trust Plan, the monthly subsidy shall be paid directly to the member.

The available pool is defined as the balance of monies remaining in the Unit 5 RHCEP pool as of January 1, 2005, and shall be used for reimbursement of deductible, and co-insurance expenses up to \$1500 per fiscal year incurred by eligible Unit 5 members.
- C. Members are required to submit a RHCEP claim form along with a copy of their Explanation of Benefits document in order to receive reimbursement of deductible, and co-insurance expenses from the available pool.

- E. For eligible expenses incurred in excess of \$1500, claims will be held until the close of the fiscal year. At that time, these excess claims shall be paid on a pro-rated basis to Unit 5 members until the funds in the available pool are exhausted.
- F. Upon exhaustion of the available pool the State shall pay \$125 per month to the CAHP Trust for each eligible Unit 5 member (R05, S05, M05) enrolled in the Trust health plan, and \$125 directly to each eligible Unit 5 member who is enrolled in a CalPERS-approved PPO plan other than the CAHP Health Benefit Trust Plan, as a subsidy for the higher health care expenses of PPO plan members.
- G. The program shall be administered by the Department of Personnel Administration.
- H. The CalPERS Board shall determine the rural areas for each subsequent year at the same meeting when the board approves premiums for HMOs.
- I. Enrollment for the rural subsidy shall be automatic, based on the employee's residence address and health plan choice as maintained by the State Controller's Office.
- J. It is the responsibility of the employee to establish and maintain accurate address and health plan information in order to receive the rural subsidy.
